THE ATTACHED INDIVIDUAL REAL ESTATE APPLICATION IS STRICTLY PRIVATE AND CONFIDENTIAL

We request that your organisation comment on the attached Individual Real Estate Application as early as practicable and by no later than **19 May 2014** from date sent. If you require more time to respond, please contact S22 on S22 .

Your response should be sent to firbconsultations@treasury.gov.au.

The attached application for foreign Individual Real Estate Investment approval was provided in-confidence to the Government for the purposes of determining whether national interest objections arise in relation to the application. The attached material should not be used for any purpose other than that for which it has been provided and should not

be disclosed outside your agency without the prior agreement in writing of Treasury. We also ask that you direct any requests for further information or clarification on the application to Treasury rather than contacting the applicant directly.

The purpose of consulting your organisation is to seek comment or information on the Individual Real Estate Investment proposal so that the Treasurer receives whole-of-government advice on the application. While proposals are examined individually, any advice to the Treasurer can also incorporate broader information and comment on the industry sector or the investing entity. Any comments should address potential national interest issues arising from the proposed investment.

Information on Australia's foreign investment policy is available on the FIRB website at http://www.firb.gov.au/content/downloads/AFIP_2013.pdf. Please do not hesitate to contact the contact officer listed above with any questions or issues.
