Additional information:

Perdaman Chemicals wish to brief the Treasurer on a s47 urea fertilizer plant at Collie near Bunbury in Western Australia.

They will raise an issue regarding the CPRS (which they have been discussing with Minister Wong) and its impact on their Bank Feasibility Study.

Please provide a background briefing for this meeting on the CPRS issue for the plant, and any other issues that Perdaman Chemicals may raise. If possible, please provide very short biographies.

Please ensure that the Minute is kept to one page and that it provides the Treasurer with clear advice on what the key one or two issues he should raise are, including a proposed position. It should also cover any hot issues likely to be raised with the Treasurer and provide a proposed response. Key talking points should be provided on an additional single page
