Hi Section 22

Thank you for the opportunity to comment on the drafting instructions. Section 22 have had a chance to have a look at the DIs and the comments provided by APRA as well. These are our high level thoughts - however, we do think that there may be benefit in having a meeting to discuss these requirements in more detail Section 22

Hi Section 22

Attached are the draft DIs for portfolio holdings disclosure (legislation only) for comment. A response by mid next week would be great. Let me know if this timing is not possible.

Please note that this information is still **Protected** as there has been no announcement on these measures. As such, we would appreciate you keeping this information confidential and limiting circulation to only those who need to know.
