Anthony,

As discussed this morning, please see attached. Please note, I was unable to get a copy to Ken prior to his leaving, so if you could please also print out a copy for Ken and give to him it would be much appreciated.

I am also trying to get a message to him regarding **This content has been redacted under section 47E and 47C**

Thanks Helen

Pages 2-6 were redacted under section 47E and 47C
