CANBERRA ACT 2600

Dear Attorney-General

A handwritten signature in cursive that reads "George".

I am forwarding to you an email from s47F
regarding Bitcoin's role in illicit drug transactions. I have also enclosed my response to s47F
s47F

In my response to s47F I indicated that I would forward s47F concerns to you in light of your Department's review of the Anti-Money Laundering and Counter-Terrorism Finance (AML/CTF) framework that is currently taking place. Given the importance of this emerging issue I ask that new payments methods, such as Bitcoin, be considered in the context of potential future changes to the AML/CTF framework.

I trust that you will consider s47F concerns.

Yours sincerely

A handwritten signature in cursive that reads "Bruce Billson".
