Subject: FSC life insurance information requested for the MHIWG
Attachments: 2011_1117_Data for MHIWG_Life Insurance.pdf

Hi s22

Thanks again for your time on the phone this morning. As requested, attached is the data collated by the FSC on behalf of our life insurance members for the Mental Health Insurance Working Group. As discussed, we would appreciate if the context within which the data is being provided is clearly communicated to the working group members.

As indicated, the FSC would be pleased to invite Treasury and staff from Minister Shorten's office to attend a briefing with our life insurance members to provide you a more detailed overview of the life insurance industry, how it operates in practice and the progress being made in the area of mental health. I look forward to hearing from you regarding your interest in the briefing and a suitable time.

In the meantime, please feel free to contact me if you require any clarification about information in the attached and note we are keen to participate in any additional meetings convened to work through the data being provided by other working group members.

Kind regards
