About YWCA Australia

YWCA Australia is the national association of YWCAs in Australia and is part of the World YWCA movement. We are a women-led organisation that achieves positive change by providing advocacy, programs and services for women, families and communities.

YWCAs undertake advocacy and deliver services and programs that develop the leadership and collective power of women and girls, support individuals, their families and communities at critical times, and promote gender equality and community strengthening. YWCAs have been providing community services in Australia since the 1880s.
