Good morning Section 22

I sent the signed letter to Mr Davies yesterday afternoon. He sent the completed payment form back almost immediately.

So you need to move ahead quickly with the processing. We will need the documents in hard copy with any exemptions/redactions marked on them. We will also need an electronic copy of the documents. We would need these by Monday at the latest.

Mr Davies has asked for us to advise him of when he will get his decision. This FOI is due Thursday 18th<sup>th</sup> December and if you do not believe you can meet this deadline please advise us immediately.

Regards

Hi Section 22

Please find attached the letter for signing regarding this FOI request. I have dated it 11 December 2014 and would appreciate it being signed and scanned back to me tomorrow.

If you need to make any changes you can do that and email me a word copy as well as the scanned signed copy.

Reference is made to copies of his requests being attached. I will add them to the letter once it is signed.

Could you also advise if you are going to be able to process this request by 18 December (ie, if he pays immediately). This means having the documents to us by Monday, at the latest, with any redactions marked on a hard copy. Section 22 being able to sign the decision letter and web mock ups being approved.
