Hi Section 22

We thought that it would be helpful to provide you with some initial reading material on the superannuation transparency measures, in case you wanted to get a head start before Monday.

In this regard, attached is draft legislation and drafting instructions (for regulations) for portfolio holdings disclosure (PHD) and choice dashboards. I have also attached a MS outlining the background of PHD and a draft MS which covers the outcomes of consumer testing on choice dashboards.

I understand that S22 is in the process of preparing briefing material for Monday's meeting and will provide it to you in due course.

Thanks

Kind regards
