Hi Section 22

Section 22 was looking at the FOI docs and thought everything that is not the UBER box should be redacted, because it's out of scope.

E.g. in Document 1 the para on Section 22 before the box should get redacted, and the para on Section 22 after the box should also get redacted.

In some cases there are footnotes that aren't in scope so those should get redacted too.

Could you please include this in the redactions? Let me know if there are any issues.

Thanks

Hi Section 22

Please find attached the decision letter for the abovementioned FOI.

If you could get it signed and scan a copy back to me before Friday that would be great. Please leave the date as 19 December 2014 as that is the day we will be releasing the decision.

I will be leaving the office now and won't be back till tomorrow morning.

Thanks
