Hi Section 22

Sorry to bother you both - I know we've been talking with you about ASIC class orders in respect of the timing of dashboards and PHD, Section 22. With the press today about the 2 July election date I can see we might hit caretaker mode fairly soon which might change the landscape for us a bit.

We are thinking we might:

- Section 22
- start drafting a class order that changes the dates for PHD and PD as per the legislation that was introduced and have this ready to go.

Do you have any objection to us doing this?

We're just a little worried that by the time we know for sure what will happen from the government side with these two measures, it will be too late for us to help because we'll be in caretaker.

Thanks so much.

Kind regards

S22
