Manufacturing impact is around \$370m for one month:

- Total (Australia) manufacturing \$111654m (current prices, annual)
- Flood-affected statistical divisions (Wide Bay-Burnett, Darling Downs, Fitzroy, Mackay) have in total 4% of Australia's manufacturing employment (see attached), which suggests  $\$4466\text{m}/12 =$  lost output for the flood-affected areas for one month.
