Hi Anthony,

I am yet to get the Secretary's actual agreement to the latest version of the register. But will send through the latest one you and the Governor have discussed first thing Monday morning.

Thanks Helen

Hi Helen

Would you mind sending me the latest version of the register, when you have cleared it with the Secretary. The Governor has asked to see where it's at and I thought best to get one from you. I will be out of the office from about 11 am on Monday till Weds and away on Thurs. If you secure fax it, Lesley could hold it for me, but also this could wait until the following week.

Regards,

Anthony
