Hi s22 ,

I trust you are well? I wanted to follow up on our meeting a couple of weeks ago to see if you would be able to suggest some convenient times for the FSC to bring a group of our life insurance members down to Canberra to provide you and your colleagues a briefing on issues relating to mental health and life insurance? In particular, we would be pleased to cover the underwriting approach and use of data.

I look forward to hearing from you.

Kind regards
