Thanks <sup>Section 22</sup>

I think we'll need to organise something for the courtyard as there aren't any venues free on Tuesday. Forecast looks ok at this stage (23 & sunny) and <sup>Section 22</sup> team can organise a decent sound system and mini stage so people can see and hear. Might limit ability to mingle over coffee though as the catering becomes tricky.

Will confirm with <sup>Section 22</sup> that nowhere else is available and talk with <sup>Section 22</sup> about the Treasurer's diary.

Thanks
