Subject: FW: INVITATION: ASIC 2015 Annual Senior Leaders Conference [DLM=Sensitive]
Date: Thursday, 16 April 2015 4:38:54 PM

For information, ASIC advise that they hope to have signed class orders (under embargo) to send to us and industry associations tomorrow – they hope the class orders will be registered next week.

Also, apparently ^{Section 22} called ASIC today to say they were about to send in a relief application for ^{Section 22} and the choice and portfolio holdings.
