Great, thanks

I may have to go to Sydney tonight, so if the invitations could come today that would be perfect! ☺

Hi the drinks invites have arrived. Will get them to Section 22 in this afternoons round.

In previous years the invites have included a brief note about parliament house passes. See attached. This has just been printed in house, cut and included with the invites. Not sure if you think it's necessary this year, but there if you want it.

Cheers

Hi [REDACTED]

We would prefer not to wait so please go ahead and have the invitations printed.

We (lucky us) will handwrite the names once we receive the invitations. Let's go with quantity of 200.

Please advise ETA.

Thanks

Hi [REDACTED] quick update on the invites. We have quotes now and can arrange for a portion of them to have the names of invitees printed directly onto the invite. For this option we would need the list of names in an excel spreadsheet. Is that something you can provide? The alternative is to have someone in the Office handwrite the names onto the invites. We'll leave 50 plain for any late invites that need to be done.

The invites will be printed on a heavier card stock, text will be black and the crest will be gold ink.

Let me know if you have any questions. Otherwise once we have the list of names we can get started on the printing.

150 personalised 50 plain	\$649	\$688
200 plain	\$528	\$512.60

Hi mentioned you were keen to see the Treasurer's Budget Drinks invitation. Attached is what was designed last year.

Let us know if you have any thoughts on what you would like for this year. We are happy to come up with some options for you.

Given recent experience with printers if it's going to include anything fancy, like gold crests, we should get started very soon.
