Hi ,

We suggest a slightly softer wording, noting that the process to consider the recommendations of AFTS and the PC report has not yet been finalised.

Suggested wording:

1: ENCOURAGE INFO-PHILANTHROPY

DEFER CONSIDERATION. This recommendation will be considered in the context of the recommendations of the Australia's Future Tax System Review and the Productivity Commission's report into the Contribution of the not-for-profit sector.

Happy to discuss,

*Philanthropy and Exemptions Unit  
Personal and Retirement Income Division  
The Treasury*
