Subject: G20 Workshop Fossil Fuel Subsidies on September 14 in Istanbul [SEC=UNCLASSIFIED]
Date: Wednesday, 7 September 2011 12:31:21 PM

Hi Guys

Just wanted to flag a possible issue tonight. **Section 33**

While I note that the template is not hard and fast on what must be included in all instances it could still generate discussion tonight. Of course it should not be an issue for Australia - we don't need to fill in the template...
