Section 22

Issue: Continuous disclosure requirements

Drafting Instruction:

- Please provide for a specific exception from both prohibitions for disclosures made to comply with continuous disclosure obligations under the *Corporations Act 2001*. For example:

'A disclosure made in order to comply with subsection 674(2) (and subsection 675(2)?) (or broadly as Chapter 6CA?) of the *Corporations Act 2001* is exempt from sections 44ZZW and 44ZZX'.

Background:

- Stakeholders expressed concern that the authorised by law exception (s44ZZY(1)) is not wide enough to capture continuous disclosure requirements.
