USER GUIDE

The purpose of the 2014-15 Portfolio Supplementary Additional Estimates Statements (PSAES) is to inform Senators, Members of Parliament and the public of the proposed allocation of additional resources to government outcomes by entities within the portfolio.

The PSAES facilitate understanding of the proposed appropriations in Appropriation Bill (No. 5) 2014-2015 and Appropriation Bill (No. 6) 2014-2015. In this sense the PSAES is declared by the Appropriation Acts to be a ‘relevant document’ to the interpretation of the Acts according to section 15AB of the *Acts Interpretation Act 1901*.

Appropriation Bill (No. 5) 2015-2016, which follows on from *Appropriation Act (No. 1)* tabled at Budget and Appropriation Bill (No. 3) tabled at Additional Estimates, will provide additional expenditure authority for the ordinary annual services of government in respect of the 2014-15 financial year.

Appropriation Bill (No. 6) 2015-2016, which follows on from *Appropriation Act (No. 2)* tabled at Budget and Appropriation Bill (No. 4) tabled at Additional Estimates, will provide additional expenditure authority in respect of the 2014-15 financial year for capital works and services, payments to or for the states, territories and local government authorities, and new administered outcomes not authorised in specific legislation.

INSPECTOR-GENERAL OF TAXATION

Overview of additional appropriations

The significant change in the strategic direction of the Inspector-General of Taxation (IGT) from that outlined in the Portfolio Budget Statements 2014-15 (page 277) is the additional funding provided to the IGT to support its operations. This funding is in addition to the 2014-15 Budget measure titled *Inspector-General of Taxation – transfer of tax complaints handling*.

The IGT is seeking an additional \$0.8 million in departmental outcome through Appropriation Bill (No.6) 2014-15 for additional capital funding to support the establishing of the complaints handling function.
