

Manager
Consumer Policy Framework Unit
Competition and Consumer Division
The Treasury
Langton Crescent
PARKES ACT 2600

This is a comment on the exposure draft regulation. The draft regulation is expressed as amending the *Competition and Consumer Regulation 2010*. It should instead say *Competition and Consumer Regulations 2010* (unless, of course, the title of the 2010 regulations will be amended in advance of the exposure draft becoming law).
