10 The object of this Part is:

- 11 (a) to enable consumers in certain sectors of the Australian
12 economy to require information relating to themselves in
13 those sectors to be disclosed safely, efficiently and
14 conveniently:
- 15 (i) to themselves for use as they see fit; or
 - 16 (ii) to accredited persons for use subject to privacy
17 safeguards; and
- 18 (b) to enable any person to efficiently and conveniently access
19 information in those sectors that:
- 20 (i) is about goods (such as products) or services; and
 - 21 (ii) does not relate to any identifiable, or reasonably
22 identifiable, consumers; and
- 23 (c) as a result of paragraphs (a) and (b), to create more choice
24 and competition, or to otherwise promote the public interest.

- (a) enable consumers in certain sectors of the Australian economy to require information relating to themselves in those sectors to be disclosed to themselves or to accredited persons; and
- (b) enable any person to be disclosed information in those sectors that is about goods (such as products) or services, and does not relate to any identifiable, or reasonably identifiable, consumers; and
- (c) may require these kinds of disclosures, and other things, to be done in accordance with data standards.

11

A register is to be kept of accredited persons.

Privacy safeguards apply. These mainly apply to accredited persons who, under those rules, are disclosed information relating to identifiable, or reasonably identifiable, consumers.

Subdivision B—Designating sectors subject to the consumer data right

16

17

56AC Designated sectors subject to the consumer data right

18

Designating a sector

19

(1) A **designated sector** means a sector of the Australian economy designated under subsection (2).

20

21

(2) The Minister may, by legislative instrument, designate a sector of the Australian economy by specifying:

22

23

(a) classes of information (the **designated information**); and

24

(b) persons who hold one or more specified classes of the designated information (or on whose behalf such information is held); and

25

26

27

(c) the earliest day (the **earliest holding day**) applicable to the sector for beginning to hold the designated information; and

28

29

(d) each of the classes of information within the designated information for which a person may charge a fee if:

30

Main amendments **Part 1**

- 1 (i) the person is required under the consumer data rules to
2 disclose information within that class to another person
3 in specified circumstances; or
4 (ii) another person uses information within that class in
5 specified circumstances as the result of a disclosure
6 required of the first-mentioned person under the
7 consumer data rules; and
8 (e) if the sector is to have one or more gateways:
9 (i) the particular persons who are gateways; and
10 (ii) for each of those persons, the classes of information
11 within the designated information for which the person
12 is a gateway.
- 13 Note 1: The persons specified under paragraph (b):
14 (a) may be specified by class (see subsection 13(3) of the *Legislation*
15 *Act 2003*); and
16 (b) will be holders of the information, rather than the consumers to
17 whom the information relates; and
18 (c) may not be the only holders of the information who can be
19 required to disclose it under the consumer data rules (see
20 section 56AJ (about the meaning of *data holder*)).
- 21 Note 2: While a class of information specified under paragraph (b), (d) or (e)
22 needs to be of the information specified under paragraph (a), it need
23 not be the same class as a class specified under paragraph (a).
- 24 Note 3: Subparagraph (e)(i) allows only particular persons to be specified, not
25 classes of persons.
- 26 Note 4: For variation and repeal, see subsection 33(3) of the *Acts*
27 *Interpretation Act 1901*.
- 28 *Geographical limitation on information that can be designated*
- 29 (3) Despite paragraph (2)(a), treat a class of information specified as
30 described in that paragraph as only including so much of the
31 information in that class as:
32 (a) has at any time been generated or collected wholly or partly
33 in Australia or the external Territories, and:
34 (i) has been so generated or collected by (or on behalf of)
35 one or more Australian persons; or
36 (ii) relates to one or more Australian persons (other than the
37 persons who so generated or collected it); or

Schedule 1 Consumer data right

Part 1 Main amendments

- 1 (iii) relates to goods or services supplied, or offered for
2 supply, to one or more Australian persons; or
3 (b) has only ever been generated and collected outside of
4 Australia and the external Territories, and:
5 (i) has been so generated or collected by (or on behalf of)
6 one or more Australian persons; and
7 (ii) relates to one or more Australian persons (other than the
8 persons who so generated or collected it), or relates to
9 goods or services supplied, or offered for supply, to one
10 or more Australian persons.

11 In this subsection, *Australian person* has the same meaning as in
12 subsection 56AO(5).

13 *Limitation on the earliest holding day*

- 14 (4) While the earliest holding day may be before the day the
15 instrument under subsection (2) is made, the earliest holding day
16 must not be earlier than the first day of the calendar year that is 2
17 years before the calendar year in which that instrument is made.

18 Example: The instrument is made on 1 July 2019. The earliest holding day could
19 be 1 January 2017, but not before.

20 Note: The earliest holding day helps to work out if a person is a data holder
21 of information specified under paragraph (2)(a), and so whether that
22 information is subject to the consumer data right.

23 **56AD Minister's tasks before designating a sector etc.**

- 24 (1) Before making an instrument under subsection 56AC(2), the
25 Minister must consider all of the following:
26 (a) the likely effect of making the instrument on:
27 (i) the interests of consumers; and
28 (ii) the efficiency of relevant markets; and
29 (iii) the privacy or confidentiality of consumers'
30 information; and
31 (iv) promoting competition; and
32 (v) promoting data-driven innovation; and
33 (vi) any intellectual property in the information to be
34 covered by the instrument; and
35 (vii) the public interest;

EXPOSURE DRAFT

Consumer data right **Schedule 1**
Main amendments **Part 1**

- 1 (b) the likely regulatory impact of allowing the consumer data
2 rules to impose requirements relating to the information to be
3 covered by the instrument;
- 4 (c) the following matters when considering whether to specify a
5 class of information, as described in paragraph 56AC(2)(d),
6 in the instrument:
- 7 (i) whether not specifying that class could result in an
8 acquisition of property (within the meaning of
9 paragraph 51(xxxi) of the Constitution);
- 10 (ii) whether holders of information within that class
11 currently charge a fee for disclosing such information;
- 12 (iii) whether the incentive to generate, collect, hold or
13 maintain information within that class would be reduced
14 if that class were not so specified;
- 15 (iv) the marginal cost of the disclosures required under the
16 consumer data rules of information within that class;
- 17 (d) whether one or more gateways need to be specified in the
18 instrument in order to facilitate access to the information to
19 be covered by the instrument;
- 20 (e) any other matters the Minister considers relevant.

21 Note: The consumers could be individuals or other persons such as
22 companies (see also subsection 56AI(4)).

- 23 (2) Before making an instrument under subsection 56AC(2), the
24 Minister must:
- 25 (a) consult each of the following about the matters in
26 paragraphs (1)(a) to (e) of this section:
- 27 (i) the Commission;
- 28 (ii) any person or body prescribed by the regulations; and
- 29 (b) wait at least 60 days after the day the Commission publishes
30 its report arising from that consultation (see section 56AE).
- 31 (3) Before making an instrument under subsection 56AC(2), the
32 Minister must consult the Information Commissioner about the
33 likely effect of making the instrument on the privacy or
34 confidentiality of consumers' information.

Main amendments **Part 1**

- 1 (a) have regard to the need to prevent the matters in
2 subsection 33(2) of the *Privacy Act 1988*; and
3 (b) try to achieve an appropriate balance between the need to
4 prevent those matters and the desirability of ensuring that
5 interested persons are sufficiently informed of the
6 Information Commissioner's analysis in the report.

7 **56AG Commission may recommend that a sector be designated etc.**

- 8 (1) The Commission may, in writing, recommend to the Minister that
9 the Minister make an instrument under subsection 56AC(2):

28 (e) publish the report on the Commission's website.
- 29 (3) If the Commission publishes under subsection (1) a
30 recommendation that the Minister make a proposed instrument, the
31 Minister must wait at least a further 60 days before making the
32 instrument under subsection 56AC(2).

33 Note: The Minister must also consult the Information Commissioner about
34 the proposed instrument (see subsection 56AD(3)).

Part 1 Main amendments

- 1 (4) Neither subsection 56AD(2) nor section 56AE applies in relation to
2 a proposed instrument recommended under subsection (1) of this
3 section.

4 **56AH Other matters**

- 5 A failure to comply with section 56AD, 56AE, 56AF or 56AG
6 does not invalidate an instrument made under subsection 56AC(2).

7 **Subdivision C—Meanings of key terms**

8 **56AI Meanings of *CDR data, directly or indirectly derived* and *CDR*** 9 ***consumer***

- 10 (1) ***CDR data*** is information that:

15 wholly or partly derived from information covered by:
16 (i) paragraph (a) of this subsection; or
17 (ii) a previous application of this paragraph.
- 18 Note 1: Geographical limitations may cause some information within a class
19 specified as described in paragraph 56AC(2)(a) to be disregarded (see
20 subsection 56AC(3)), which means it will not be CDR data.
- 21 Note 2: Information covered by paragraph (b) includes information derived
22 from information covered by paragraph (a), information derived from
23 that derived information, and so on.
- 24 Note 3: Information covered by paragraph (b), for which there is a CDR

28 consumers (also known as product data) can be required to be
29 disclosed under the consumer data rules (see subsection 56BF(1)).
- 30 (2) CDR data is ***directly or indirectly derived*** from other CDR data if
31 the first-mentioned CDR data is wholly or partly derived from the
32 other CDR data after one or more applications of paragraph (1)(b).

Schedule 1 Consumer data right

Part 1 Main amendments

1 Note 1: Geographical limitations may cause some information within a class
2 specified as described in paragraph 56AC(2)(a) to be disregarded (see
3 subsection 56AC(3)), which means it will not be CDR data.

4 Note 2: If the person begins holding the CDR data before the earliest holding
5 day, the person:

- 6 (a) will not be a data holder of the CDR data; and
7 (b) will not be required to disclose it under the consumer data rules.

8 *First case—person is also specified in the designation instrument*

9 (2) This subsection applies to a person and CDR data if:

- 10 (a) the person, or a class of persons to which the person belongs,
11 is specified, as described in paragraph 56AC(2)(b), in the
12 designation instrument as holding a class of information to
13 which the CDR data belongs; and
14 (b) neither the CDR data, nor any other CDR data from which it
15 was directly or indirectly derived, was disclosed to the person
16 under the consumer data rules.

17 *Second case—reciprocity arising from the person being disclosed
18 other CDR data under the consumer data rules*

19 (3) This subsection applies to a person and CDR data if:

- 20 (a) neither the CDR data, nor any other CDR data from which it
21 was directly or indirectly derived, was disclosed to the person
22 under the consumer data rules; and
23 (b) the person is an accredited data recipient of other CDR data.

24 Note 1: Paragraph (b) is referring to other CDR data not covered by
25 paragraph (a).

26 Note 2: The other CDR data referred to in paragraph (b) could be within a
27 class of information specified in another instrument designating a
28 different sector under subsection 56AC(2).

29 *Third case—conditions in the consumer data rules are met*

30 (4) This subsection applies to a person and CDR data if:

- 31 (a) the person is an accredited person; and
32 (b) the CDR data, or any other CDR data from which it was
33 directly or indirectly derived, was disclosed to the person

 - 16 (a) the person is specified as a gateway, as described in
17 subparagraph 56AC(2)(e)(i), in an instrument designating a
18 sector under subsection 56AC(2); and
 - 19 (b) the CDR data is information within a class, specified in that
20 instrument, for which the person is a gateway; and
 - 21 (c) the CDR data is, or is to be, disclosed to the person under the
22 consumer data rules because the person is:
 - 23 (i) acting as described in a subparagraph of
24 paragraph 56BG(1)(a) or (b); or
 - 25 (ii) if there are no consumers for the CDR data—acting
26 between a CDR participant for the CDR data and a

- 1 (a) the CDR provisions relate to a CDR consumer for CDR data;
2 and
3 (b) the entity is a CDR consumer for CDR data (or would be a

5 Note: For how the CDR provisions so apply, see subsection (4).

6 *How the CDR provisions apply to a government entity*

- 7 (4) For an entity covered by subsection (1), (2) or (3), the CDR
8 provisions apply as described in that subsection in relation to the
9 entity:
10 (a) as if the entity were a person; and
11 (b) with the modifications (if any) prescribed by the regulations.
12 This subsection does not affect how subsection 56AQ(2) applies to

14 **56AS Participating government entities of a State or Territory—** 15 **declaration**

- 16 (1) The Minister may, by notifiable instrument, declare that an entity is
17 a participating entity for a State or Territory.

18 Note: An entity may be specified by class (see subsection 13(3) of the
19 *Legislation Act 2003*).

- 20 (2) However, the Minister must not do so unless the Minister is
21 satisfied that the State or Territory has agreed to the entity
22 participating under this Part.
- 23 (3) If:
24 (a) a State or Territory has agreed to an entity of the State or
25 Territory participating under this Part; and

3 Note 1: Subsection 56BD(3) limits how such rules can affect a data holder.

4 Note 2: The rules may deal with similar or additional matters to those in the
5 privacy safeguards. When doing so, the rules will need to be
6 consistent with those safeguards (see subsections 56EC(1) and (2)).

7 **56BD Limitations for rules about CDR data for which there are** 8 **CDR consumers**

9 *Only designated CDR data can be required to be disclosed*

10 (1) The consumer data rules can only require a disclosure of CDR data

15 (b) the disclosure is to:

16 (i) one or more of those CDR consumers; or

17 (ii) an accredited person; or

18 (iii) a designated gateway for the CDR data.

19 Note 1: This means CDR data cannot be required to be disclosed if it:

20 (a) is not within a class specified in such an instrument; and

21 (b) is directly or indirectly derived from CDR data that is within a
22 class specified in such an instrument.

23 Note 2: The consumer data rules can include other rules relating to this other
24 derived CDR data.

25 Note 3: Voluntary disclosures of this other derived CDR data can be
26 authorised under the consumer data rules.

27 *No fee when fee-free CDR data is required to be disclosed*

28 (2) The consumer data rules cannot allow a fee to be charged for:

29 (a) the disclosure of fee-free CDR data under rules like those

8 consumers, the consumer data rules may include the following
9 rules:

10 (a) rules like those described in subsection 56BC(1) for the CDR

12 (i) acting between the CDR consumer and the CDR
13 participant in the making of a valid request; or

14 (ii) acting between the CDR consumer and the accredited

17 (iii) acting between the CDR participant and the CDR
18 consumer, or accredited person, who is the proposed

20 (b) rules like those described in subsection 56BC(2) for the CDR

5 disclosure, collection, use, accuracy, storage, security or

7 *Limitation—rules relating to the collection, use, accuracy, storage,*
8 *security or deletion of CDR data*

- 9 (3) For a designated gateway for CDR data for which there are one or
10 more CDR consumers, the consumer data rules:
11 (a) can only include rules affecting the designated gateway
12 requiring or authorising the disclosure of the CDR data if
13 such rules are as described in paragraph (1)(a) or (b); and
14 (b) can only include rules affecting the designated gateway that
15 relate to the collection, use, accuracy, storage, security or
16 deletion of the CDR data if such rules also relate to a
17 disclosure described in paragraph (a) of this subsection.

18 Note: Paragraph (a) does not prevent the inclusion of a rule relating to a
19 disclosure described in that paragraph.

- 20 (4) Subsection (3) applies despite any other provision of this Division.

21 *Transitional rules*

- 22 (5) Without limiting paragraph 56BB(c), if there is a designated
23 gateway for CDR data, the consumer data rules may include
24 transitional rules for when a person ceases to be the designated

29 (b) the criteria may include the payment of a fee.
30 Any fee must not be such as to amount to taxation.
- 31 (3) Without limiting paragraph (1)(e), each of the following may be a

6 paragraphs 56AD(1)(a) and (b).

7 **56BQ Commission to consult before making the rules**

8 (1) Before making consumer data rules under subsection 56BA(1), the

20 (iii) any person or body prescribed by the regulations; and

1 **56BS Emergency rules: consultation and consent not required**

2 *Rules may be made in an emergency*

- 3 (1) The Commission may make consumer data rules under

5 (a) after consulting the Information Commissioner, but without
6 otherwise complying with section 56BQ; and
7 (b) without the consent of the Minister as required by

12 Australian economy; or
13 (d) the interests of consumers.

14 *Consequences for rules made in an emergency*

23 (4) A failure to consult the Information Commissioner as required by
24 paragraph (1)(a) does not invalidate the consumer data rules.
25 (5) However, if:

28 accordance with subsection (1); and
29 (b) the Minister does not make a direction under subsection (3)

Consumer data right **Schedule 1**
Main amendments **Part 1**

1 **Division 5—Privacy safeguards**

2 **Subdivision A—Preliminary**

3 **56EA Simplified outline**

4 This Division sets out privacy safeguards that protect the privacy
5 or confidentiality of CDR consumers' CDR data, whether the CDR
6 consumers are individuals or bodies corporate.

7 The privacy safeguards apply mainly to accredited data recipients,
8 but also to data holders and designated gateways, in relation to
9 their handling of the CDR data.

10 A person's failure to comply with any of these safeguards may lead
11 to consequences, including liability to a civil penalty (see
12 Subdivision G) or the suspension or revocation of the person's
13 accreditation (see subsection 56BH(3)).

14 **56EB Kinds of CDR data to which the privacy safeguards apply**

- 15 (1) The privacy safeguards only apply to CDR data for which there are
16 one or more CDR consumers.

17 Note: One requirement for CDR data to have a CDR consumer is that there
18 needs to be at least one person who is identifiable, or reasonably
19 identifiable, from the CDR data or from related information (see
20 paragraph 56AI(3)(c)).

- 21 (2) The privacy safeguards apply to CDR data whether the CDR data
22 is true or not.

23 **56EC Relationship with other laws**

24 *Relationship with the consumer data rules*

- 25 (1) If there is an inconsistency between the privacy safeguards and the
26 consumer data rules, those safeguards prevail over those rules to
27 the extent of the inconsistency.

EXPOSURE DRAFT

Schedule 1 Consumer data right

Part 1 Main amendments

1 (2) However, the consumer data rules are taken to be consistent with
2 the privacy safeguards to the extent that they are capable of
3 operating concurrently.

4 Note: This means that the privacy safeguards do not cover the field that they
5 deal with.

6 *Relationship with the Privacy Act 1988*

7 (3) This Division does not limit Part IIIA (about credit reporting) of
8 the *Privacy Act 1988*. However, the regulations may declare that in
9 specified circumstances that Part applies in relation to CDR data as
10 if specified provisions of that Part were omitted, modified or varied
11 as specified in the declaration.

12 (4) Despite the *Privacy Act 1988*:

- 13 (a) the Australian Privacy Principles do not apply to an
14 accredited data recipient of CDR data in relation to the CDR
15 data; and
16 (b) if subsection 56EN(1) applies to a disclosure of CDR data by
17 a data holder of the CDR data—Australian Privacy
18 Principle 10 does not apply to the data holder in relation to
19 that disclosure of the CDR data; and
20 (c) if subsection 56EP(1) applies to CDR data and a data holder
21 of the CDR data—Australian Privacy Principle 13 does not
22 apply to the data holder in relation to the CDR data; and
23 (d) Australian Privacy Principles 6, 7 and 11 do not apply to a
24 designated gateway for CDR data in relation to the CDR
25 data.

26 Note 1: For the accredited data recipient, the privacy safeguards will apply
27 instead.

28 Note 2: Section 56EN (or privacy safeguard 11) is about the quality of CDR
29 data. Section 56EP (or privacy safeguard 13) is about correcting CDR
30 data.

31 (5) Apart from paragraphs (4)(b) to (d), this Division does not affect
32 how the Australian Privacy Principles apply to:

- 33 (a) a data holder of CDR data in relation to the CDR data; or
34 (b) a designated gateway for CDR data in relation to the CDR
35 data.

2 in parallel to Australian Privacy Principle 1.
- 3 Note 2: The consumer data rules (which are made under Division 2) will affect
4 how the Australian Privacy Principles apply. Requirements and
5 authorisations under those rules will be requirements or authorisations

7 Principles.

8 **Subdivision B—Consideration of CDR data privacy**

9 **56ED Privacy safeguard 1—open and transparent management of** 10 **CDR data**

11 *Object*

- 12 (1) The object of this section is to ensure that each person (a **CDR**

- 14 (a) a data holder of CDR data; or
 - 15 (b) an accredited data recipient of CDR data; or
 - 16 (c) a designated gateway for CDR data;
- 17 manages the CDR data in an open and transparent way.

18 *Compliance with this Part etc.*

- 19 (2) The CDR entity must take such steps as are reasonable in the
20 circumstances to implement practices, procedures and systems that:
- 21 (a) will ensure that the CDR entity complies with this Part and
22 the consumer data rules; and
 - 23 (b) will enable the CDR entity to deal with inquiries or
24 complaints from a CDR consumer for the CDR data about
25 the CDR entity's compliance with this Part or the consumer
26 data rules.

27 *Policy about the management of CDR data*

- 28 (3) The CDR entity must have and maintain a clearly expressed and
29 up-to-date policy that:
- 30 (a) is about the CDR entity's management of CDR data; and
 - 31 (b) is in a form approved in accordance with the consumer data

28 (f) if the CDR entity is likely to disclose such CDR data to
29 accredited persons who are based overseas—the countries in
30 which such persons are likely to be based if it is practicable
31 to specify those countries in the policy;

32 (g) the circumstances in which the CDR entity may disclose such
33 CDR data to a person who is not an accredited person;

- 16 (7) The CDR entity must make the CDR entity's policy available:
17 (a) free of charge; and
18 (b) in accordance with the consumer data rules.
- 19 Note: One way the consumer data rules could require the policy to be made

- 30 Note: The CDR participant from whom the accredited data recipient
