

**Consultation**

*MRRT and related measures Repeal*

**Name**

*Mrs Suzanne Verran*

**Submission text**

*Repeal of LISC in respect of concessional contributions made after 1 July 2013 is retrospective legislation.*

*I am a low income earner and have been making additional salary sacrificed contributions since 1 July 2013 on the basis of the existing legislation. I would not have been making those additional salary sacrificed contributions had I known it would be repealed from 1 July 2013.*
