Dear Sir / Madam,

I urge the government to reconsider the **Deductible Gift Recipient status of a number of notorious** environmental charity groups and recommend the following:

- All environmental charities should be regularly reviewed to make sure they are abiding by the law.
- Any environmental protest group that breaks the law should immediately have their DGR status revoked. Taxpayers should not subsidise illegal protests by anti-mining groups.
- To be eligible for DGR status, the primary purpose of an environmental charity should be 'on-ground' work that improves the local environment.

Regards
