Senior Adviser
Individual and Indirect Tax Division
The Treasury
Langton Crescent
PARKES ACT 2600

Below is my submission in the above matter, and attached is a copy of the EDO Submission which mirrors my own desires for the future of assessing charitable organisations for tax deductability.

DO NOT reform the Tax Deductible Gift Recipient (DGR) legislation to exclude charities which advocate for the Environment or The People. Right wing politics and wealthy opportunists should not be empowered to interfere with the defence of our country, environment and people.

Yours respectfully,
Irene Wheatley
