

Too big to fail is easily fixed by introducing Glass-Steagall to separate the too big to jail banksters speculating in risky derivatives, away from genuine commercial banking. Of course Chairman ex banker Murray won't want to upset his gambling mates making obscene profits so he will support bail-in instead and let self managed retirees lose their retirement and school kids lose their school banking deposits to prop up the speculators! So called ring fencing will not work. We need Glass Steagall. Without this there will be runs on the banks and riots. How can any decent person even contemplate bail-in let alone promote it? If you have no conscience at least listen to Pope Francis who warns we are close to economic collapse. See his Open Letter attached.

Desired outcome: introduce Glass Steagall. Ban Bail-in.

Update on World Financial Collapse - The New World Order – Total Control

Pastor Lindsey Williams has once again being tipped off by his loyal friend, a Top Elite Tycoon who has sat in meetings with the Richest men in the world including Chief Bankers like the IMF, World Bank, etc and major corporations etc. Such people are known as the Elite.

- 1 For the Financial Collapse to happen, the US Health Care Bill, known as “Obama Care” must be fully implemented by 1st January 2015 which marks this date for a vast World Structure.
- 2 The Elite Banksters want Total Financial Collapse to happen anytime around/after 1st January 2015. Banks will close – no money. They will collapse all currencies, worldwide together.
- 3 Great American Patriot, President Thomas Jefferson said if the Private Banks (Banksters) ever get to control our currencies, that this would lead to utter poverty and will result in the confiscation of our property – our children will be deprived of all property.
- 4 The US Federal Reserve is a great deception as it is not a Government Agency but a Private Banking Cartel.
- 5 If you have a Mortgaged House, then the Banksters already own your House because when the Collapse happens and it will, they will take your house off you – confiscation of property.
- 6 They already have engineered to take all our mortgaged properties – homes, businesses, farms, shopping malls etc. Elite already own all Mortgaged Backed Securities - homes, properties of all kinds.
- 7 Elite want more people, more companies, organizations, institutions – all individuals and governments to be in debt, worldwide.
- 8 They want more and more people on Welfare so that we are totally dependent on them.
- 9 They want all our Pension Funds, Savings etc - all paper money to collapse which they hope to do very soon.
- 10 If we do not convert our Paper Money, Paper Assets into Gold, Silver, Land etc, then we will lose all our money.
- 11 They want more and more companies to collapse – go out of business.
- 12 When the Interest Rates climb to where they want them to be – then all the Banks will collapse by Monday morning. They have already run a Test on this – check out the statement of Mr Bernanke of the Federal Reserve - what he said on the 19th, 20th June 2013. It sent a Storm across the Financial Markets.
- 13 They will create Total Financial Collapse, worldwide by collapsing all the currencies together through the Rise in Interest Rates which will cause the collapse of the whole Derivative Market – this will happen over a 3 to 4 day period - on Monday morning, our money will be ashes, worldwide.
- 14 1st January 2014 marks the date for a Vast World Structure. We must put things in place before this date.

For Example:

- Buy gold/silver – Get out of all Debt, get rid of your mortgage by downsizing, just make sure you own your home even if you have to downsize to a shack or a caravan, get rid of the mortgage and any other loans that you may have. In fact it is best to rent. Anything you have because of a Bank Loan (Debt) will be taken from you, confiscated. If you have a Student Loan, they will come to your parents’ home and take the value of that Loan in goods such as TVs, Digital Equipment, Furniture etc – Get out of All Debt NOW!!!
- Get out of All Paper Money of every kind including Bonds, Certificates saying you own gold – Buy Gold/Silver and make sure you have it in your hand, not in Certificates (paper).
- Store Food, Water, Firearms, Medicines, Cooking equipment etc etc.
- Get out of the cities. All the Top Elites have moved to country areas – wipe open spaces.

Note Well. Buy everything you need before 1st January 2015 as the Obama Health Care Bill kicks in. Prices are going to rocket. The Health Care Bill is **not** about Health Care. Under this Bill, the Elites decide who lives and who dies - It is about Total Control which is hidden in the Bill. Wake up America!

15 Gold Dealers will be curbed from stocking much Gold. Soon, they will not be allowed hold any Gold.

- 16 When the Financial Collapse happens through the Derivative Markets, all Paper Money will be worthless, major corporations will collapse. We will have no clothes, shoes, washing machines etc etc and so on.
- 17 One of the Elite, Mr Fromme spilled his heart out on his death bed before he died to his good friend Pastor Lindsey Williams who has told us here, that Mr Fromme warned us to watch China. He said "China is the Big One". Mr Fromme told us to keep eyes on China and to ignore other distractions like the Stock Market, the Middle East, the Euro etc - keep your eyes on China, the Big One.
- 18 George Bush Snr (Daddy Bush) known as Mr New World Order, became Ambassador to China under President Regan in 1975 in order to open up China to the world. Before that, China was literally unheard of. It was surrounded the Great Wall – nobody went in and nobody went out. It was a closed Society for thousands of years. The Population there is 1.35 Billion people of which they have One Million in their huge army. Bush was Ambassador to China for one year and in that time he opened up China to the rest of the world to the extent that in over 40 years, China has become the second largest Economy in the world with USA first and Japan, the third. Bush knew exactly what he was doing and what China would become under the Elites. They knew that **China with its' great population would change the Face of the Earth.** The Elite knew that they would move American Industry to China. They plotted this move scores of years ago. The Elites plotted many many years ago to build up China for a major collapse to control them.
- 19 There is a Financial Collapse under way that the average person has no idea. The US Dollar and all the world currencies will all collapse together.
- 20 China is on the verge of collapse because of its' massive Real Estate Bubble in China. China has been building cities for years known as ghost towns – nobody lives in them. Huge Loans have been taken out by the Developers, so that when the Collapse happens, they will not be able to pay back these Loans. The Banksters will then own China and get them to carry out any instruction that they want.
- 21 China has all the Bid US Industries now – they have all their Trade and Copyright Secrets. American Corporations like Boeing, Caterpillar, General Motors, Chrysler, to name a few are all operating out of China. They have stashed away their huge multi-millions of profit in Foreign Banks, worldwide. They will lose the whole lot when the Financial Collapse happens – ASHES.
- 22 China will collapse. Bush Snr started all of this and had China built up through the Banks – JP Morgan, Citibank, Bank of America, Wells Fargo etc. All these Banks will do down with the World Collapse. US greedy corporations and banks made China great.
- 23 The Chinese will be Puppets for the Banksters, that is the Dark Masters , the Dark Master Puppeteers who will get these Godless Chinese to rule the world whilst the Dark Masters remain hidden, pulling the Puppet Strings. The Yellow Skin will have truly risen under the Satanic Masters who have pumped money into China in order to use them to rule the world but the Real Rulers will be the Bankster, Dark Masters hidden in the back ground just like their master, satan who always hides in the darkness. Jesus said, you cannot worship God and Mammon; you will either hate one and love the other. So now we know who is orchestrating the forthcoming Collapse. It is the Banksters under Rothschild with his IMF, World Bank, BIS and other Bankster Henchmen.
- 24 The Collapse of Health Care and the Dollar will be so devastating to you and your family. Only the Elite know the connection to Health Care and the Dollar.
- 25 The Financial Collapse can only take place after the Mandatory Health Care Bill is fully implemented.
- 26 The Obama Health Care Bill will help the Elite get Total Control to bring about the collapse of the US Dollar – the Medical System will totally collapse with the Financial system

Health Care Bill – Obama Care:

- Increase in waiting time for appointments including emergency appointments.
- Decrease in the number of Specialists available
- By 1st Jan 2015, 40% of Health Care Professionals will have left the Profession.
- If you are denied Treatment, you have to appeal to the Medical Board
- Beginning 2015, if you participate in a Government Backed Medical Scheme, your Health Records will be sent to a

Centralized Federal Database – with or without your permission. Top doctors suggest that you make plans to get Health Care outside the USA. If you do not make plans, you may die.
