Dear Sir,

It has been some years since governments have been propping up banks with the peoples money & a tell the Banks want more, how much longer are the people going to pay for the banks to gamble over money away, if a bail out don't word in six months then it is never going to word. It is time to act & regulate the banks & stop them from gambling with money that don't belong to them.

It is well past time to regulate the banks & one new the best way to do this is with Glass-Steagall Act. as has in U.S.A. in the 30's.

Yours Sincerely  
D M Bower
