To The Murray Inquiry
Financial System Inquiry

GPO BOX 89 SYDNEY NSW 2001

To whom it may concern

OFTEN seeing what has happened in
THE USA AND EUROPE AND THE
Deregulating of the BANKS I DO NOT
TRUST them at all AND NO BANK
should be able to gamble depositors
and life saving or pensions money
BANKS ARE OUT OF CONTROL AND
SHOULD BE BROUGHT UNDER CONTROL
SO depositors money is kept safe
GOVERNMENTS should regulate the BANKS
with the GLASS-STEAGALL ACT
AND SAY NO TO BAIL IN
