i would like to log my concern about the changes in the R&D tax concession. I Believe that this has been rushed thru without enough time given to all companies to repond. The believe that any change should be made 1/7/2011. This gives companies like mine time to plan and to fiht any changes. Some of us will be put out of business if the proposed chnages go thru. MORE FEED BACK FROM INDUSTRY IS NEEDED. CHANGE THE DATE TO 2011. tHE CURRENT SYSTEM IS THE BEST IN THE WORLD WHY CHANGE THIS.
