To The Manager / Black Economy Division.

I am absolutely OUTRAGED at the Bill to limit
CASH OF \$10,000. A MONTH.

LIES ABOUT TAX EVASION & MONEY LAUNDERING. The Government
and Corporations are the thieves & money launderers. How dare
you not inform the Public. This is Fascism at its Best. More of
my Privacy & Freedom privileges to be diminished. Disgraceful.

I am Totally Opposed to this Bill. SAME with your
BANK BAIL-IN laws - I am opposed - that is THEFT!

NO CASHLESS SOCIETY - NO imposing on how I
SPEND my CASH.

This is discrimination at its Best.

This is NOT REVERSED.

This is a Bill AGAINST THE PUBLIC. This is criminality
at its BEST. A NEW dictatorship AHEAD.

Many People are Angry. You will try and
force negative gear INTEREST & steal from the Public.

Absolutely Corrupt. Disgraceful.

NO TO CASHLESS. NO TO Electronic Forcibility.
NO TO CASH LIMITS.
