

2/8/19

Mr Prime Minister
Scott Morrison

I am deeply concerned at the
Submission Exposure draft Currency
Restrictions on the Use of Cash
bill 2019.

I feel this is only the start of
something much more ominous.

Banks are there to serve the
people, not the other way round
Just like government.

You can say its to stop
Money Laundering, but we
know who the biggest culprits
are. And its not the Every day
person.

Is the cashless society going
to be the next thing introduced,
in the near future.

Where banks give us zero interest
and we pay them to keep our money,
so they can misappropriate it
when banks crash, or dont agree
with the United Nations, as clearly
we see Labor Liberal run by them.
Its absolutely Diabolical and the
future of Australia is very bleak.

I have lost all support for the
liberal government.
And have voted for you since
Voting, Never again.

Disappointed Voter
