Submission! Exposure Draft (Restrictions on the use of cash) bill. 2019.

I am writing to express my concern as to the lack of clarity in your proposed bill. Why would you leave division 2. blank if you are upfront about why we need this bill.

If our banks are sound then why would we need a cashless society, thereby forcing all transactions through a bank increasing their already obscene "profits".

We do not need policies which allow banks to confiscate citizens savings  
"Cancel the bill"

Yours with concern
