Subject: New Deductible Recipient (DGR) Category for Men's Sheds and Women's Sheds

I am writing on behalf of Granville Mens Shed (and its Management Committee) to state our strong support for this initiative.

We have been operating since 2008 and achieved ACNC charity status several years ago.

The government is to be applauded for taking on this broadening of DRG policy so that it can include the range and diversity of sheds.

We look forward to the implementation in July 2020

Willem Tibben
Secretary
