**Subject:** REO DGR Consultation Feedback

Hi Team

I would like to see one of the requirements to submit for DGR status with the REO reviewed.

Please review the mandatory 50 members, this was not easy and I found it turned out to be majority friends and family who do not participate on an ongoing basis. The 50 members do not positively contribute to our association or help to grow and expand our charitable work. This requirement was just a tick box for us and has added no value
