Subject: Consultation on the Deductible Gift Recipient (DGR) Registers Reform has opened, with submissions due by 19 February 2023

To whom it may concern,

We are Campsie Cultural Centre Arts Trust. We are planning to organise cultural exhibitions that could include lucky draws section in the exhibitions program.

Kindly confirm with us for the below enquiry:

1. There might be entities that donate lucky draw prizes to be used in the above-mentioned activities. Is this kind of donation eligible for tax deduction?
2. If it is, what kind of receipts/records will the donor be required to produce to claim tax deduction? What documentation is our Trust required to present to ROCO?
3. Does the current reform affect the above issues?

Thank you for your assistance.

Kind regards

Campsie Cultural Centre Arts Trust
