

Hello,

As a self-funded retiree, I object strongly to the proposed legislation changes. Not all self-funded retirees are incredibly wealthy. Personally, I do not want to be a burden on the taxpayer and want to be able to pay for my housing and care until I die.

As I understand it, the Franked Distribution and Capital Raising draft legislation, if widely applied, will lead to the demise of the franking system.

Sincerely,
Peta (Pinder)
