- Payments on E	Jehalf			1c	A controlled entity within the reporting entity is a property manager (PM). In its capacity as a PM and acting on behalf of the property owners under the PM services agreement, this entity regularly makes payments to suppliers, small or otherwise.  These payments are excluded since the payments are not related to entities consolidated by the reporting entity. On the other hand, the reporting entity has certain assets managed by third parties. Payments made by these third parties on behalf of the reporting entity will be included in the	3	
Where there is a stapled structure of two entities forming a consolidated group for accounting purposes – ie where Corporate A (a CCE) and Trust B (non-CCE) collectively form Group C – correct to say that under Section 10L and 10M Corporate A can nominate itself to be a reporting nominee for Trust B and all of the controlled entities in Group C?							
raft - Payment term, for a payment, means the number of calendar days as mentioned in any of the following paragraphs as is relevant to the payment:  (a) Where a fixed period, within which the payment is required to be made, is stated on an invoice—the number of calendar days in the period;  (b) Where a non-fixed period, within which the payment is required to be made, is stated on an invoice—the largest possible number of calendar days in the period;  (c) Where a date for payment of an invoice is stated on the invoice and the invoice does not state a period within which the payment is required—the number of calendar days between date of the invoice and the date for payment of the invoice:			2	Can you confirm if the parties have an agreed payment term which differs to what is stated on the invoice does the agreed payment term prevail
