

## **Australian Government**

Australian Government response to the  
Senate Economics Legislation Committee report:  
COAG Reform Fund Amendment (No Electric Vehicle  
Taxes) Bill 2020

May 2024

## Response to the recommendations

### Dissenting report - Senator Rex Patrick - Recommendation

This weekend the Prime Minister should read the 2019 Select Committee on Electric Vehicles report, and especially my additional comments. I can assure him that doing so won't ruin his weekend.

#### *Australian Government response*

The Government **notes** this recommendation. However, given the passage of time since this report was tabled, a substantive Government response is no longer appropriate.

---

### Dissenting report - Australian Greens - Recommendation

That State governments not proceed with discriminatory taxes on EVs.

#### *Australian Government response*

The Government **notes** this recommendation. However, given the passage of time since this report was tabled, a substantive Government response is no longer appropriate.

---

### Dissenting report - Australian Greens - Recommendation

That the Australian government introduce a national strategy to urgently increase the uptake of electric vehicles.

#### *Australian Government response*

The Government **notes** this recommendation. However, given the passage of time since this report was tabled, a substantive Government response is no longer appropriate.
